GREENIES® dental chews now contain added natural sources of antioxidants to promote a healthy immune system, as well as natural sources of dietary fiber for digestibility. Plus, our new recipe now carries the Veterinary Oral Health Council (VOHC) Seal of Acceptance.

A chewy and delicious clean

One GREENIES® dental chew a day helps control harmful plaque and tartar build up and freshens breath.

Nutritious and easy to digest

GREENIES® dental chews are filled with high-quality, easily digestible proteins that break down into little teeth-cleaning, easy to swallow and digestible bits. Plus, added vitamins and minerals make them a complete and balanced part of your adult dog's daily diet.

MADE IN THE USA

• 100% Edible

• 95.7% Digestible
(That's more than your average dry dog food (80-85%))
