ACME Shepherd's Whistle Nickel

Shepherd's mouth whistle made in tin silve, sometimes called the "lip" whistle. The traditional whistle used by the English Shepherd to command his faithful sheep dog to round up and bring home the straying sheep.

- LB575 4.19..... 6/ 3.69

Roy Gonia Mega Whistle

Perfect for hunting, trailing or training, the Roy Gonia Mega Whistle from SportDOG Brand® amplifies the "shrill trill" of the Roy Gonia Special Whistle while protecting the handler's ears by directing the whistle's sound forward. Great for long range blinds and wet and windy conditions that require a louder whistle.

- RS11748 7.296/ 6.69

Roy Gonia Special Whistle

The whistle features a lower-pitched sound that carries farther and an easy to blow design for effective communication while training or in the field.

- RS11749 3.596/ 3.09

Roy Gonia Clear Competition Whistle

The Clear Competition Whistle is great for use in the field with a lower pitched sound that carries farther.

- RS11751 5.196/ 4.59
